RE: *Charon Coins, LLC v. Sonea Griffiths*
Case No. 7:21-cv-2777

Honorable Judge Briccetti,

I write to explain a temporary seal on certain exhibits to the complaint in the above-captioned case.

Shortly after electronically filing the original complaint and exhibits on March 30, 2021, we discovered that we had inadvertently filed the set of Exhibits A, B, C, E, and F without redactions of personal and financial data. We immediately contacted the office of the Clerk of the Court. To protect the documents, the clerk sealed those exhibits and advised that we file redacted exhibits once a judge was assigned to this case. Upon notice of Your Honor's assignment, we filed an Amended Complaint with properly redacted exhibits. **Accordingly, Exhibits A, B, C, E, and F to the original complaint should remain under seal.** The exhibits to the First Amended Complaint are properly redacted and need not be sealed. Thank you for your assistance in this matter. We apologize for any inconvenience.

Respectfully submitted,

/s/
